Reading

Behaviours and Strategies

Associates sounds to some consonants, especially beginning letters in words

Prompts

- What sound does that letter make?
- Get your mouth ready to say the first sound.
- What sound would you expect at the beginning of the word?

Observations

Notices the same letter, or similar patterns in words (e.g., "It starts like my name" and "It's a bit like 'no' (go).")

- Does it look right?
- Check all the letters.
- Do you see a part you know?
- Do you know a word with the same chunk in it?
